

# HELPFUL HINTS

Here are A FEW SUGGESTIONS to help The ENLOE'S ministry visit run smoothly. Here are some kindnesses that have been shown to us by other Organizations and thought we would pass them along. These are NOT DEMANDS, only SUGGESTIONS. Thank you for your understanding.

1. A RESERVED PARKING PLACE near a main entrance would be of great help upon arrival.
2. Appoint TWO MEN to assist in unloading the equipment. Our arrival time is approximately one hour prior to starting time. If we are traveling to your area by land we bring an adequate sound system. If we fly into your area we bring only a platform mixing unit and will need to meet with your sound person o hook into the house system.
3. A SIX FOOT TABLE, situated in the lobby to display of our Gospel Music Tapes, C.D.s, etc.
4. If MOTEL RESERVATIONS have been made, there are TWO more steps. (1) Establish the "DIRECT BILL" understanding with the motel as to your church address, etc. (2) A Pre CHECK -IN ARRANGEMENT would be a tremendous help to Pick Up Our Keys at the Front Desk. Most churches make arrangements for us to assign eals to the motel room when there is a restaurant. We DO NOT ABUSE this privilege and are grateful for this consideration. We NEVER charge long distances calls to the rooms nor participate in ANY motel Pay-Per-View television.
5. It would be helpful to have the PULPIT MOVED from the platform and the center platform cleared in advance. A portable lectern will suffice for any preliminaries.
6. We would like to MEET WITH THE PASTOR, and/or PERSON(S) IN CHARGE, to discuss format plans and ministry time. Not to exclude a sovereign move of God and we will ALL know.
7. An ABBREVIATED PRAISE & WORSHIP SEGMENT, or a postponement of the regular Praise Team Performance, would give adequate time to involve people in singing with us. Please understand, we appreciate all those who unselfishly serve the church in music ministry.
8. This request is for the TREASURER. Unless a prior Honorarium Agreement has been made, we would appreciate the kindness of a SAME DAY TALLY - LOVE OFFERING CHECK made available to The Enloes following the Service/Concert. This assists us in staying current with our expenses and gives us all understanding of this awkward subject. Thanks for your understanding.
9. PASTOR, thank you for your ENCOURAGEMENT to your people to give a GENEROUS LOVE GIFT to the support of the Enloe's Ministry. We want to leave with an open door to return.
10. We believe that everything that happens in God happens through prayer. We cordially ask that the church PRAYER WARRIORS be alerted to the necessity of their participation.
11. The TELEPHONE is a great tool of Evangelism. It can be used as a Direct Line to invite neighbors, friends and co-workers to be apart of this special Service/Concert. Of all of the publicity bases such as; Radio, Newspaper, Bulletins, flyers and Posters, that are being covered by staff, don't forget the Power of Personal Invitation. Solicit a few people who are GIFTED On The PHONE, and supply them with an Invitation Phone List. It will make a major in attendance. WORD OF MOUTH PROMOTION is STILL the Most Effective method.

Thanks for the ministry opportunity. Our GOAL Is SOULS! We are EVANGELISTS (Eph.4:11) using MUSIC as a Tool and the WORD (Jeh.4:12) as a Sword to win the spiritual battles. It takes great Planning today to pull people away from their worldly entanglement and get them out to church. A MUSICAL PROGRAM can be just the thing to BRING THEM IN!
